

SOLID WOOD BOX SPRING

**ESCAD
HÔTELS**

TO BE ABLE TO MAKE THE MOST OF YOUR MATTRESS'S LIFE, IT MUST BE ADEQUATELY SUPPORTED. FIND OUT ABOUT OUR WIDE RANGE OF BOX SPRINGS THAT WILL MATCH YOUR NEW MATTRESS. FURTHERMORE, THE USE OF A BOX SPRING IS A GOOD WAY TO VALIDATE YOUR WARRANTY.

WE ALSO PAY ATTENTION TO THE QUALITY OF THE PRODUCTS USED. THAT'S WHY WE CAREFULLY CHOOSE THE RAW MATERIALS THAT WILL BE USED TO MAKE OUR BOX SPRINGS.

WE ARE ALSO COMMITTED TO ENCOURAGING LOCAL BUSINESSES. SINCE THE PROTECTION OF THE ENVIRONMENT AND OUR FORESTS IS IMPORTANT TO US. WE BUY THE WOOD NECESSARY FOR THE MANUFACTURE OF OUR BOX SPRINGS, ONLY FROM QUEBEC.

CHARACTERISTICS MICROSUEDE FABRIC

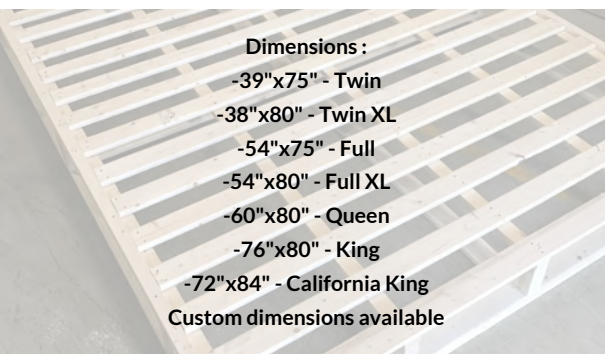

- The fabric on the sides of the box springs is made of microsuede and offers a rich and luxurious look and feel.
- The fabric on top of the box spring and anti-slip, allowing better adhesion to the mattress to prevent the mattress from slipping or falling
- The composition is 100% microfiber
- Soft to the touch
- Wear-resistant
- Anti-stain
- Easy to maintain
- Available in black

CONSTRUCTION

QUEBEC'S PREMIUM HARDWOOD

- Commercial grade construction
- The box spring is built of 15 **FSC CANADA** certified solid wood slats
- The spacing between the slats is 2 inches for increased strength
- Lumbar support board under each sleeper and in the center of the box spring
- The box spring is designed for optimal air circulation between the slats
- Anti-slip surface on top of the box spring
- Decorative chrome legs can be installed if desired
- Compatible with metal bases
- Ensures the longevity of the mattress
- Available in all sizes
- 10-year warranty

AVAILABLE HEIGHTS: 4 AND 7 INCHES

- 39"x75" - Twin
- 38"x80" - Twin XL
- 54"x75" - Full
- 54"x80" - Full XL
- 60"x80" - Queen
- 76"x80" - King
- 72"x84" - California King

Custom dimensions available

- Option chrome legs

- Anti-slip fabric on top

- Low profile box spring option
1 3/4 inches

V2022

EUROLATEX

NATURAL LATEX VERSION | SEMI-FIRM

TECHNOLOGY DESIGN & WELL-BEING

Height : 12 inches

Model : Euro-top

Type of comfort : Semi-firm

Comfort zone :

- 100% certified Talalay latex

CHARACTERISTICS MATTRESS FABRIC

- German modern knitting weaving technology
- 3D three-dimensional textile for increased comfort
- Multi-stitched cover with CertiPur-US foam, free of harmful products for the ozone layer, lead, mercury or heavy metals
- Very low emission of VOC (volatile organic compound)
- Hyper-stretch in 4 directions
- Fabric weight of 420 gms
- Eurolatex embroidered label
- High density foam contour device
- Talalay latex density foam welcome surface
- Zoned pocket coils suspension

ADVANTAGES

ORGANIC COTTON COVER

- Optimal preservation against the disadvantages of humidity, high absorbency
- Cotton fiber absorbs up to 8.5% of its weight in water, allowing the skin to breathe well
- Hypoallergenic - antibacterial-antifungal
- Perfect for sensitive skin
- Cotton is an extremely strong and weather-resistant natural material.
- Organic cotton is grown in an eco-responsible way without pesticides

TALALAY LATEX ILD28 COMFORT ZONE

- Most natural component on the market
- Anti-rebound comfort,
- Next level elasticity and durability
- Biodegradable and ecological
- Regulates body temperature
- Antibacterial and hypoallergenic
- Regulates temperature during sleep
- Relieves pressure points and promotes better blood circulation.

ZONED POCKET COILS

- Adapted support in the different pressure point areas (hips, shoulders and back)
- Active support: dynamic response to the body's natural movements provides the support needed for deep, relaxing sleep.
- System of springs fixed from head to toe for perfect independence of the sleeper
- Pocket coils transfer heat 28% more efficiently for natural ventilation
- Peripheral high-density foam contour to counter sagging sides of mattress

BENEFITS

THE EUROLATEX MATTRESS HAS SEVERAL BENEFITS

- Outstanding customer experience
- Commercial-grade mattress construction
- Increased mattress longevity
- Allows moisture to escape and inhibits the growth of bacteria
- Ideal for allergy sufferers
- Ideal for all types of sleepers

MATTRESS SPECIFICATIONS

Fabric composition: Organic cotton

Quilting: 1 ½ inches of CertiPUR-US high density foam

Comfort zone: 2 inches of Talalay ILD28 latex

Suspension core: Cloud Touch 3 pocket springs zones – Density 1130

Height: 12 inches

Pocket coils: 9,5 tour

ISO certified pure alloy

4-step continuous soak

Grid alignment

Compression from 9,5 to 8

Caliber: Head and toes: 15 Center: 14

Peripheral 360°: High-density foam contour 55 lbs of compression

Sizes*:

39''x75'' Regular

38''x80'' Simple XL

54''x75'' Double

54''x80'' Double XL

60''x80'' Queen

76''x80'' King

72''x84'' California King

*Custom sizes available
